RESPONSE TO ELECTION REQUIREMENT

Sir:

This responds to the Examiner's election requirement of May 20, 2003.

The Examiner has indicated that the application contains claims directed to patentably distinct species of the claimed invention. However, the Examiner has not clearly identified each of the disclosed species (MPEP 809.02(a)) except by way of figure groupings 2-5 and 6-9. In other words, there is no detailed indication of a substantive basis for the aforementioned restriction. Applicant respectfully requests clarification in that regard, and reserves its rights to revise its election in view of any such clarification or upon further consideration of same.

In the absence of that further detail, and in an effort to advance the prosecution of this application, Applicant has reviewed the claims and hereby provisionally elects the Examiner's
